

Slicks & Vines

This game is based on the traditional Snakes & ladders game with a sustainability twist. It can be played at levels 1, 2 or 3 by using the appropriate pack of questions.

Please feel free to adapt rules as you see fit.

Contents

- 1 - 1 Game Board.
- 4 - Counters.
- 108 - Question Cards (each with questions and answers). Three sets of 36 (Levels 1, 2 & 3).

Additional Equipment Required

- 1 - Six-sided Die.

Rules & How to Play the Game

1. Roll to see who goes first, highest score starts, the rest follow clockwise from first player.
2. Players start off the board and can only start by rolling a six.
3. Rolling a 1, 2 or 3 gets a question. Question asked from card is the same as number rolled. Correct answer allows another turn, a maximum of THREE turns per go.
4. Rolling a 6 gives the player a bonus roll. If the player rolls a 6 three times in a row, they go back to square 1.
5. Only one player allowed per square. If you roll and land on a occupied square, you loose that turn.
6. To win the game you have to land on the last square with an exact die roll.
